For use with rules as printed

Counter Errata:
Pink Command Stripe Saxon A(rchers) #1 is missing the F-1 mnemonic on the Disordered side.

Player Aid Errata:
Fire Results Table: remove dagger on Target Mounted: Normal Unhorsed result.

Flight Point Track Errata:
The Norwegian Reinforcements reminder in the 12 box should be in the 10 box.

Rule Book Errata:
11.3 Resolving Fire: The row for the defender's terrain is used (unless otherwise noted on the Terrain Chart) to find the modifier for each attack.

Remove Norman Conquests from the Angle of Fire box as it does not apply in this game.

12.3 DRMs Terrain: Change the 5th sentence to - If more than one unit is being attacked by a single unit, the terrain of the attacker and any hexside between the attacker and the individual defender is used in the combat against that defender.

Battle Book Errata:
Stamford Bridge Deployment: Tostig 1 Norwegian Axe (#1 +1) should be 1 Norwegian Axe (#2 +1); Orre's Battle 1 Norwegian Axe (#1 +1) should be 1 Norwegian Axe (#2 +1).

Fulford Setup Map: Mercia and Northumberland's colors are reversed.

Lewes Setup Map: Green Cornwall's Battle should be Purple Henry III's Battle.

Evesham Setup Map: the second 2nd line of Welsh PK units should be shifted one hex to the west.
