

Army Group North Second Edition – Errata

Playbook

Scenario 4 - page 19. Rule 10.4.2 Set up cards - two missing bullet-items for both Axis and Soviet Reinforcements:

- [Axis Two Front](#)
- [Soviet Three Front](#)

Scenario 5 (page 20, under 'required') - should say '[units listed on scenario card 2](#)'

Scenario 6 (page 22, under 'required') - should say '[units listed on scenario card 3](#)'

Scenario 8 (page 25, under 'required') - should say '[Axis Two back \(bottom\)](#)'

Scenario 5 Card:

Siege of Tallinn Soviet at start, 34th CDA hex number is incorrect, should be **1606**, but is listed as 1066

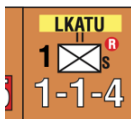

Scenario 6 (Map Card Three):

Operation Beowulf map has incorrect port hex numbers in the port boxes. **Ignore** these numbers as they are all in the correct locations – no impact on play.

Soviet SUC 2 Front:

Unit LKATU shown in In-1910 should have a no-zoc band and the one shown in **In-2010** should instead be **LUVOSO**; replace LKATO shown in In-2010 with **LUVOSO**

It should look like this on the SUC:

		
[In-1910]	[In-2010]	[In-2010]

Soviet SUC3 back (Luga Line scenario):

Second row first item **LKPU** should be on hex **2416** (not 2616).

Soviet Air units shown at-start 'Ready' should be '**Flown**'
